CID Monthly Report

A Sample of Investigations & Arrests

On August 6, 2024 at 1630 hrs., a Plainfield Resident came to headquarters and stated that at approximately 1615 hrs. today, he went to a bank in the borough to deposit his check in the ATM when he was assaulted by two unknown Hispanic males. The victim said that he was finishing his transaction when an unknown Hispanic male described as wearing a red shirt, white shorts, white sneakers, and a white hat, placed him in a bear hug while another Hispanic male wearing blue jean shorts, and a gray shirt, took his debit card from his hand and left in an unknown direction. Two other Hispanic males described as wearing dark clothing with black and red bandanas blocked his path, preventing him from chasing the suspects. The victim then went inside the bank and notified an employee that he was robbed and asked her to cancel his debit card in an effort to avoid fraudulent transactions. The victim was not hurt or injured and no weapons were brandished during the incident. One of the suspects dropped a debit card while fleeing from the scene, so he picked it up but realized that it wasn't his debit card. That debit card was secured in the property management system (BEAST) as possible evidence. CID was notified of this incident.

On August 7, 2024 at 1315 hrs., a borough resident walked into police headquarters to report harassment. He said that on July 31 sometime during the day, his neighbor was

driving by his house and when the neighbor was passing by his house, he looked at him in a “menacing manner”. The complainant said that he has had issues with his neighbor for approximately 23 years now. The complainant said that the issues have been because of property maintenance, the trees, unregistered vehicles which are parked on private property, and rumors spread by the suspect to the neighbors about the victim. The complainant was advised of the complaint procedure for filing a harassment complaint with the court.

On August 15, 2024 at 1830 hrs., a borough resident came to headquarters and said that on the same date at 1500 hrs., an unknown phone number contacted him via text message. The suspect began to threaten the victim via text messages by sending him pictures of dead people and advising he knows where the victim lives because he is part of a cartel. The victim believed the suspect and sent \$1,000.00 via Zelle. After sending the \$1,000.00, the suspect requested more money via Bitcoin. The victim then received a text message with a QR code for Bitcoin. The victim sent \$1,500.00 worth of Bitcoin to the account linked to the QR code.

NOTE: We are required by the Rules of Court to include herein a statement explaining that the charges are merely an accusation and that the defendant is presumed innocent until and unless proven guilty.
