EMS REVENUE

Revenue is received in the form of insurance payments through direct billing to Federal, State and private insurance providers for medically necessary emergency service. The Department also receives revenue through personal and required insurance co-payments.

A third-party company performs EMS billing for us. The service includes collecting information from patient run reports, invoicing, tracking, reporting, collection and direct deposit into a designated municipal account. The following is an accounting of the revenue received during the past month and year to date totals.

EMS billing revenue/cost		<i>Current month</i>	<i>Year to date</i>

Section 3. DIVISION OF FIRE PREVENTION

Inspection activity is coordinated through the office of the Fire Official. All Borough licenses and permits, which require an inspection by the Fire Department, are performed by the Division of Fire Prevention. Permits and registrations required under the N.J. Uniform Fire Code are also processed and enforced through this division.

Fire Prevention Revenues

Revenue is received in the form of a rebate of 70% of registration fees collected by the New Jersey Bureau of Fire Safety for each life hazard use (LHU) in North Plainfield. This money is returned to the municipality to pay for the enforcement of the New Jersey Uniform Fire Code.

The Department also receives fees for permits that are issued locally for occupancies not required to be registered as life hazard uses, such as multiple family permit fees. We also receive penalty money representing assessments for failure to comply with requirements of the Uniform Fire Code.
