February 19, 2016

Dear Parent/Guardian:

The North Plainfield School District is a diverse and comprehensive Somerset County community public school district that serves more than 3,200 students in pre-kindergarten through twelfth grade. We are committed to providing every student a world class learning experience that fosters continued intellectual, physical, social and emotional growth. As evidenced in our Core District Values, the efforts of every staff members are dedicated daily to the goal of preparing our students to succeed in our dynamic, diverse, and technological society while fostering an appreciation for the humanistic and aesthetic aspects of life.

Our district is made up of seven district schools and three affiliate preschools. We look forward to welcoming your family to the North Plainfield school community and are available to assist you in seamlessly transitioning your child (ren) for participation in the 2016-2017 school year. It is our hope to assign children to their neighborhood school; however, there are occasions when a student is assigned to another district school in order to maintain an educationally sound class size or to comply with statutory requirements for balance.

To allow us to effectively prepare our staff and classroom direction, parents are encouraged to register their children well in advance of the start of a new school year. The attached packet will guide you through the information necessary to successfully enroll your child. Once completed, all packets must be submitted and reviewed in person, with a representative of the North Plainfield School District's registrar's office. Registration review and processing is by appointment only. A legal guardian must be present at the time of registration and come prepared to the appointment with all necessary documentation.

We hope the attached packet clearly outlines the necessary registration documentation. Once completed, please contact Melissa De Cos-Palma at 769-6059 ext. 6116 or Teresa Wilson at (908) 769-6059 ext. 6106 to secure a registration appointment.

Please feel free to contact me or the registrar should you have any questions as you prepare for your registration appointment. We look forward to meeting you and your family.

Regards,

Michelle Vella
